

# Hands-On Music

COMMUNITY MUSIC STUDIO, SCHOOL & STORE  
come and play!

## 2019 Summer Drum Camp

**August 12-16, 9:30-3 daily**

This is a fun and challenging camp for drummers and percussionists who would like to greatly improve their musicianship in an intensive week of playing. Open by invitation or audition.

It's so important for drummers to learn music in a musical context. In each camp we'll provide plenty of playing opportunities both in percussion ensembles and also in a real life band with our guest artists (guitarist, bassist and keyboardist). Each day we'll work on drum set, hand drumming/percussion, and tonal percussion (marimba, xylophone, vibes and timpani). Activities include:

- **Lots of improvisation**
- **Hand and feet technique**
- **Daily percussion ensembles:**  
structured pieces and in-the-moment playing on hand percussion & sound tree
- **Efficient, effective practice**
- **How to play in a band**
- **Reading and writing music**
- **Drum set round robin** – play on two sets with other drummers
- **Practical skills: drum setup, tuning, and types of gear**
- **Recording basics (time permitting)**

Bring your stick bag with sticks, brushes, mallets, a bottle of cold water and a bagged lunch, and get ready to have a fun and intense time each day enjoying a great adventure through the world of drums & percussion.

\$375 for the week. Space is limited to 7 per camp. Some scholarship money available. Barter considered.
